

2010 Planners' Day at the Capitol Program Agenda

*Minnesota Chapter American Planning Association &
Minnesota Association of Planning and Zoning Administrators*

The Minnesota Chapter of the American Planning Association and MACPZA welcome you to the State Capitol. Professional planners in Minnesota recognize the importance of decisions made by our State Legislature. Planners from around our state consist of multi-faceted policy & technical experts working at all levels of public & private service. We are committed to providing timely information and expertise in all matters pertaining to planning in Minnesota. The Legislative Committees' of our Organizations appreciate the time, effort, and interest of those participating in this program. Both our organizations look forward to continuing our service as a resource for the legislature and our membership. We look forward to working with interested stakeholder organizations in the coming year to initiate reforms of Minnesota's Planning Enabling Laws.
